

# ON HELPING FELLOW DANCERS DURING THE DANCE

yes! please help!

To foster a generous and pleasant experience for as many as possible, *be in the right place yourself and let others find their place around you.*

If more help is needed, then please help in these ways:

- *minimally*
- *subtly*
- *silently when possible*
- *gently (avoid pushing or pulling)*
- *kindly*
- *with forgiveness*

Assume your fellow dancers will respond to the most subtle cues

*with love, from the ECDC*
